## Manhattan Beach Community Church Youth Ministry Discipline Policy

Our ministry seeks to create an environment of activities and programs that will, while working alongside the families, train and educate students towards maturity. A component of this environment includes certain behavior and cooperation standards that the students are expected to follow. These standards include:

- Following the direction of the staff/volunteer leadership
- Showing respect and a cooperative attitude
- Respecting the rights and property of others
- Abstaining from the use of drugs, alcohol and tobacco during any church sponsored activity and any other activity deemed inappropriate for a church-sponsored activity.

These standards remain consistent in their nature but vary in specifics from activity to activity as the goals and purposes of each activity vary. When students choose not to abide by these standards, disciplinary responses which will be agreed upon by parent/guardian, student and staff on a case by case basis will be implemented. In minor cases of infraction staff and student will agree upon disciplinary action taken. In moderate cases, the parent is usually informed. In more serious cases, the parent may be asked to pick up their son/daughter from the activity. In all cases, the ministry benefit to the student and the entire group, remain as the primary goals.

Discipline is always administered for the good of the student and the group.

I Name have read the above statements of discipline policy and am in agreement with them and will, if deemed necessary by the leadership, pick up my son/ daughter from an activity.

I also understand my child attends Manhattan Beach Community Church on a regular basis, but I may not at this current time. Therefore, as to general church correspondence:

Yes, I would like to receive general church information: email

No, I would not like to receive general church information. Please keep me off your church rolls.

***I have read the above statements and give my consent.***
